

Lost Pet

Allister

Breed/Type: Domestic Short Hair

Gender: Male

Age: Senior

Reward: no

Location: Durham, 6303 Craig Road

Description: Allister has a heart condition and needs daily medication. He is a large gray tabby (gray/black stripes) with his neck, belly, and legs mostly white. He has golden green eyes, small tufts on the tips of his ears, and a pink and black nose and pads. Last seen wearing a white calming collar. He's gentle and shy but will probably come to you if you have food.
