Gender: Male

Age: Adult

Location: Clayton, 601 Charles Street

Description: A very friendly intact male black DSH showed up at our doorstep in the Candlewood neighborhood late at night on 4/22/22. We saw him once in May too, but this week (6/15 to 6/22) heâ€™s been hanging around our back patio a lot. SUPREMELY friendly, seems no more than a couple years old, responds to kissing noises & dry food shaking in a bowl so definitely familiar with people. Please reach out if you or someone you know own/feed this cat - Iâ€™d love to get him neutered & in a good home!
