

Lost Pet

Canelo

Breed/Type: Mixed

Gender: Male

Age: Young

Reward: no

Location: Willow Spring, 2692 CARLIE ADAMS RD

Description: His name is Canelo (ka - nel - o)

He should still be wearing a red electric fence collar on him. He is short and one of his ears is a bit more floppy than the other. He is also microchipped but I am afraid he might not let someone get too close to him.

his backside black but has a white under belly, neck, and face with brown fur on the sides of his face, legs, and speckled paws. His paw pads are also pink with black spots.
