Breed/Type: Domestic Short Hair

Gender: Unknown

Age: Young

Reward:

Location: Raleigh, 411 Gardner St

Description: Lovely little cat, very friendly. He/ she (I didn't get a good look yet...) could be a kitten (a few months old) or a very petite cat. They look to be no more than 6 lbs. Black fur with reddish undertones, yellow eyes. I also noticed a few "grey" hairs on the back. The cat is very friendly but does occasionally hiss if feeling over-pet. They have a tiny "mew."
