

Lost Pet

Reverend. Also answers to Rev and Revi Tevi Timbo

Breed/Type: Domestic Short Hair

Gender: Male

Age: Young

Reward: yes

Location: Raleigh, 10208 Sauls Road

Description: Very sweet, loving cat. He's almost a year old and has not been neutered yet. He has a white bow tie, white patch on his sternum area and another white patch on his belly. He will literally get in your lap and give you kisses by rubbing his face against each side of your chin. More than likely, he was probably found at a home on Mal Weathers Road Raleigh 27603.
