Bonded babies found under car

Breed/Type: Domestic Medium Hair

Gender: Unknown

Age: Baby

Reward: no

Location: Zebulon, stratocastor drive Zebulon nc

Description: We got a call that 2 kittens were found under a man's truck. He was threatening to turn the engine on to get rid of them. We went and picked them up however we are taking care of a sick feral and have our own furniture and we have nowhere to keep them. Super playful and friendly. Definitely bonded.
