

Found Pet

Lucy

Breed/Type: Mixed

Gender: Female

Age: Unknown

Reward: no

Location: Six Forks, Honeycutt Rd(found)

Description: Female. She IS chipper but owner(in Youngsville) has said he doesn't want her back and signed a form stating this. He has no vet records and used her to have a litter of puppies. We have followed her for 5 days and she finally went into a fenced yard. I will take her back to vet for all shots and will pay to have her spayed asap. I'm also happy to make a \$200 donation. I do not have a fenced yard and a 13 year old dog that will probably not get along with her. I think I have a place to keep her until Monday since I have to be out of town. Is there any chance she could go and stay with y'all's ?? The family she is with now says she is very sweet!!
