

Found Pet

Breed/Type: Domestic Short Hair

Gender: Female

Age: Unknown

Reward:

Location: Lillington, 43 Wolf Creek Lane

Description: This cat was found outside my front door, she was meowing and walked right over to me. She is super sweet and cuddly. She's on the smaller side. I took her by my vet and confirmed she is not microchipped and is most likely in the early stages of pregnancy. I have posted her on the local Harnett county lost and found pet page and no one has claimed her.
