

Found Pet

Breed/Type: Pit Bull

Gender: Female

Age: Unknown

Reward:

Location: Raleigh, 2615 Fitzgerald drive

Description: Female dog, extremely scared. Tail tucked and crying. I got close enough to see she had rabies tag (but no ownership tag), rabies tag didn't have vet info and she is very skittish. I have my GSD with me so couldn't grab her. I've called animal control.
