**Gender:** Female

**Age:** Adult

**Reward:**

**Location:** Morrisville, 3031 Rambling Hills Drive

**Description:** Ezra<br />

DEAF!!!<br />

Approximately 5 years old<br />

Female<br />

No collar<br />

Microchipped<br />

It's been at least it's been at least 24 hrs.<br />

The door had not been shut properly and we woke up to our front door open the morning of the 10th.<br />

Extremely afraid of cars more likely to be found in a wooded area. Has been an indoor cat almost all of her life. As she is a rescue I'm not sure how she will behave with other humans. If you want to text a picture or have any insight I would be very grateful. She is loved very much.<br /><br />

Thank you for taking the time to read this and <br />  
for any future help!<br />
