Description: Weâ€™ve lost our girl, Luna! Please help us find her. ðŸ¥°ðŸŒ™

We dropped her off at her sitterâ€™s Thursday evening and received a phone call that she ran away. Sheâ€™s been missing since around 7:30 pm that evening.

Last seen: Crosstown at Chapel Hill apartment complex, area of 6123 Farrington Rd, Chapel Hill, NC 27517 near Nantucket Grill.

She is a friendly girl that loves people and burrowing under her blanket. She weighs approximately 15-18 lbs. She is wearing a prong collar and grey flea collar, no tags but she is microchipped.

Luna has not been found! We have walked the whole neighborhood and posted flyers everywhere. The leasing office has sent an email to its residents to make them aware as well. Weâ€™ve gone to the neighboring hotels and gas stations to post the flyers. Weâ€™ve called local vets and shelters and physically walked through both Orange and Durham County Animal Shelters. We also notified the microchip company to make them aware that she is missing. Posts have been made on all suggested applications. We left her bed and blanket outside of the sitterâ€™s apartment along with some warm food (and set a camera) to see if she comes to eat tonight.

Please keep my girl in your prayers!
