Breed/Type: Domestic Short Hair

Gender: Unknown

Age:

Reward: no

Location: Wake Forest, 7816 Ligon Mill Rd

Description: Cat has been hanging around my house for about a week (I don't see it every day but most days). Keeps its distance but meows a lot when I talk to it. Yesterday evening it was at my door so I went out and it meowed and let me pet it for a few seconds then put distance between us again. It has white on paws, neck and chest area. (I have a few more pictures if needed).
