

Lost Pet

Katia

Breed/Type: Domestic Medium Hair

Gender: Female

Age: Young

Reward: no

Location: Morrisville, 2622 Kudrow Lane Morrisville

Description: My cat got lost during her stay at a pet sitter's house in Morrisville (NC). We live in Chapel Hill (NC) and I am currently out of the country. I think she escaped to look for me. She is an indoor only cat and I can't imagine how scared she must be right now. She is about one and a half year old. Her little sister (7 month kitten) and her big brother (11 year old dog) misses her. Please help us find her.

Additional info: Katia is friendly, curious, and food motivated. She responds to her name. She is microchipped (w/ my contact info) and she has a tag ID on her pink collar (w/ my pet sitter's contact info).
