Location: Durham, 12 Currituck Lane

Description: This poor cat was first seen roaming our neighborhood since August ~22. Knowing the severe cold weather was arriving, we caught it in a humane trap on 12/21 and are sheltering it with food, water and litter box, in our spare bath. He/she is not aggressive but very scared. He/she is a Snowshoe breed. We really need to get it to the SPCA! Any help is greatly appreciated!
