

Lost Pet

Ori

Breed/Type: Siamese

Gender: Male

Age: Young

Reward:

Location: Chapel Hill, 9318 Bracken Lane

Description: Ori is an 8-month-old Siamese flame point mix. He has a white coat with orange markings, an orange-striped tail, and blue eyes. He is shy and skittish around strangers, but also curious. He's gentle and sweet. He's more likely to be enticed by adult cat food than kitten food. He's unlikely to respond to his name being called by strangers, so please let us know if you see him. We miss him very much and are very worried for him.
