Our 15 yr old baby Zoe got out and had been missing for about 2 hours. We are located in Normandie off of Esplanade Ct. She is not chipped and does not have her collar on (she just had a bath and I didn't get a chance to put it back on). She is blind and deaf. If you see her, please pick her up and contact me at [\(919\) 697-2159](tel:9196972159).
