

Lost Pet

Princeton

Breed/Type: Mixed

Gender: Male

Age: Adult

Reward: no

Location: Apex, 264 bally shannon way

Description: Princeton is a mastiff/bulldog mix, extremely friendly. He managed to pull his spike and chain from the wet ground, he has a collar with his name and my phone number, but I'm worried with him dragging the hook and chain behind him, it could of got caught up and he's pulled himself out of his collar.
