

Lost Pet

Moe

Breed/Type: Domestic Short Hair

Gender: Male

Age: Senior

Reward:

Location: Lillington, 811 Garden St

Description: Tuxedo cat with a white spot on his back. Loves cheese. He's a friendly guy and will probably come in your house. We last saw him the morning of 1/20/23 at the corner of 16th and Garden St. He's an indoor/outdoor cat but definitely prefers outdoors.

We miss him terribly. Thanks for any help. Emily and Terry
