

Found Pet

Breed/Type: Domestic Short Hair

Gender: Female

Age: Senior

Reward:

Location: Wake Forest, 5121 Mid Ridge Ct

Description: This sweet cat showed up at our house one morning. She is very good with kids, and respects my dog and cat. This cat has had most of her teeth extracted. We took her to our vet and she is under our care until we can find her owners. She is about 9 years old.
