

# Lost Pet

**Sora**

**Breed/Type:** Other

**Gender:** Female

**Age:** Young

**Reward:** yes

**Location:** Fuquay-Varina, 240 Jarrett Bay Ln

**Description:** Sora has medium to long black fur. She is extremely affectionate and can't meow due to vocal cord damage. She is spayed and microchipped. She had an AirTag collar that I found near my home so, she wouldn't have been wearing one.
