

# Found Pet

**Breed/Type:** Mixed

**Gender:** Male

**Age:** Young

**Reward:** no

**Location:** Raleigh, 3808 St James Church Rd Raleigh, NC 27604 United States

**Description:** Found on New Hope Rd near the Methodist church (listed as the address because that's the closest place I could find on the map) White dog with black spots, big, standing ears; has a navy blue collar with no tags, not neutered, not microchipped, knows "sit," good in the car.

I will be taking him to the Wake county animal center around 1 pm on 3/6/23 if I don't hear anything from an owner because I have other dogs and a cat and don't know his vaccination status or temperament around other animals.
