**Breed/Type:** Domestic Medium Hair

**Gender:** Unknown

**Age:** Unknown

**Reward:**

**Location:** Clayton, 2725 Covered Bridge Road

**Description:** The cat is a domestic, medium hair, solid gray cat and has a collar with a bell. I don't know the sex or age. It is definitely pettable. My husband thinks it has been declawed, but I'm not sure about that. I'm pretty sure this is someone's pet and I think it has been a house cat. It wants to come inside.
