She is a female, standard golden doodle named  
Finley

## Finley

**Breed/Type:** Golden Retriever

**Gender:** Female

**Age:** Adult

**Reward:** yes

**Location:** Raleigh, 7540 Poplar Meadow Ln

**Description:** Update!- Someone called after they saw my post on the Ring Neighbors app and said they spotted her between 9:45-10pm last night close to the intersection of Forestville Rd and Old Milburnie.

We lost our standard Goldendoodle tonight in Bryson Village subdivision in Raleigh, near Knightdale-27616 zip code. Her hair is currently a little shorter than the first picture but a little longer than the second. She got out of her harness so she doesn't have any tags on, but she does have a sling/wrap on her left front leg. Please call 321.831.9116 asap if you see her! I have a precious daughter who will be absolutely distraught if her pup doesn't come back home!
