

Lost Pet

Maple

Breed/Type: Domestic Medium Hair

Gender: Female

Age: Adult

Reward:

Location: Apex, 217 Storemont Way

Description: Orange face and one orange back leg. She has white paws and white on her neck and belly broken up by black at the armpits. Her back is mainly black with mixes of orange. She is super friendly and has never been outside before. I'm sure she is scared. She is microchipped!
