

Found Pet

Breed/Type: Mixed

Gender: Female

Age: Senior

Reward: no

Location: Rolesville, 1404 Jones Dairy Rd

Description: Found on Jones Dairy Road in Rolesville near Averette Neighborhood. She had no collar on (we put one on to use a leash). Took her by the vet but she is not chipped. She does have a small cut on her back left leg and a few hard masses on her head/neck area. She looks like a yellow lab mix with a white face. She is very sweet, gentle, and well mannered.
