

Lost Pet

Willow

Breed/Type: Domestic Short Hair

Gender: Female

Age: Adult

Reward: no

Location: Morrisville, 112 Tylerway Ln

Description: Willow is a 1 year old brown tabby cat. She is relatively comfortable around people but is definitely scared outside right now. If you see her, please sit down and calmly call her name. She always comes when I make clicky noises and rub my index finger and thumb together and hold out my hand to her so you could try that with her.
