Location: Garner, LIBERTY STATION 3214 Old Garner Rd Ral

Description: He is a solid gray male cat still in tact. He's very sweet and calm let's you hold him and he doesn't meow much at all. Right now I've had him since Sunday night and he seems sad or something he just sits in 1 place (but he's not injured in anyway) he walked around the 1st day I found him but he seems depressed. So I feel like he has a loving home out there somewhere. And also his coat is very clean and taken care of so not a Ferrell cat in any means
