PJ

Breed/Type: Domestic Short Hair

Gender: Male

Age: Adult

Reward: no

Location: Chapel Hill, 3605 Sweeten Creek Rd

Description: PJ has been missing since yesterday (5/12). We are very worried and are appreciative of any and all help in finding him. He's a grey and white tabby shorthair mix with a white face and grey ears and top of head. His back and tail are grey, and he has white legs and paws. He has green eyes. PJ is the sweetest boy who sometimes responds to his name and doesn't bite or scratch. He was last seen around the entrance of Chandlers Green neighborhood. If anyone sees him or has any information, please let me know. His brother and I miss him so much and just want him back home safe and sound. Thank you!
