Breed/Type: Domestic Medium Hair

Gender: Female

Age: Young

Reward: no

Location: Knightdale, Hodge Road & Merlin Drive

Description: 8wk old kitten trapped on deck on 6/3 (now almost 12 wks). No signs of being feral, just really scared. My gut says she belongs to someone who's cat had recent litter & just got out of house. Has very soft fur & 2 features to help identify her which owner would likely know about...not a typical plain black cat. Sorry, about vagueness but hesitant to put out photo with this. Gladly share if you think she's yours.

Took to my vet for flea treatment & said she's very healthy. Sweet, great purr motor, still hesitant around others & sudden movement or loud noises.
