Age: Adult

Location: Raleigh, 4315 Wedgewood Drive

Description: Found Cat! Brown tabby with white belly, legs and feet, and white stripe on nose. He had been roaming our neighborhood for a few weeks, and I decided to catch him because he appeared to be injured and limping. He has a clipped ear, as though he's previously been part of a catch and release program. He is a very sweet boy, skittish outside but friendly and affectionate inside. He may be a senior/elderly cat or just been out for a while, it's hard to say. Please let me know if this sweet boy belongs to you!
