

Lost Pet

I was told "Chanel"

Breed/Type: Pit Bull

Gender: Female

Age: Adult

Reward: no

Location: Durham, 540 Elmira Ave, Durham, NC 27707

Description: Currently at APS of Durham. Was scheduled to be euthanized but asked to hold off to help find a foster or rescue. Was told she's about 2-3 yrs. Had her for 2 weeks, house trained, can walk on a lease, knows how to sit and shake your hand. Appears to come from an abusive situation, has anxiety but super sweet loving dog once you get to know her.
