

Lost Pet

Roper

Breed/Type: Other

Gender: Female

Age: Adult

Reward:

Location: Apex, 1904 Transit Trl

Description: She is a dark red/mahogany sable English Shepherd with white collar & chest, 4 white stockings, white muzzle, small white blaze and white tip on her tail. She has an elongated "beauty mark" on the left side of her muzzle. She stands just a little over 21" at the shoulder and just under 50 pounds - very athletic. She was wearing a multi-colored Lupine collar with ID tags. A recent possible sighting had her wearing a replaced red collar. She is microchipped. Many people might think she is a border collie or BC mix.
