Location: Chapel Hill, 1432 Poinsett Dr

Description: Friendly cat has been coming around on and off for the past few days. Will let us pet them, but a bit skittish at sudden movements.

Kids thinks their a stray, I think they have a family and is scamming us to get extra dinners. Always around when vet or Petco is closed, so haven't tried to check for a microchip but will keep trying.

Laurel Hills neighborhood off Mt. Carmel Chruch Rd.
