

Lost Pet

Luna

Breed/Type: Domestic Short Hair

Gender: Female

Age: Adult

Reward: no

Location: Raleigh, 4252 Lake Ridge Dr

Description: Luna is an all black cat with a few white hairs on her chest. She is not an outside and got out our back door on the 28th of August. She is just as sweet as can be but may be skittish of people she doesn't know. If you catch her or see her or know someone who may have her please let me know I don't care what time it is. She belongs to my 15 year old she has had luna since she was 8 weeks old she used her own allowance to get luna Sadly luna collar is not on her.
