Unknown

Breed/Type: Domestic Short Hair

Gender: Male

Age: Adult

Reward: no

Location: Raleigh, 1121 Consortium Drive

Description: Male tabby walked into my house last night! He is very friendly and constantly purring. He also has slightly bowed front legs, green eyes, and a pink nose and toes.

He didn't have a collar, so we took him to the vet, and he wasn't microchipped. He has clearly been fed recently, but has some scabbing/missing fur on his ears and the back of his neck.
