Age: Unknown

Reward: no

Location: Carrboro, 105 Jones Ferry Rd

Description: Small white cat with a black tail and two black spots on her back was seen with three kittens who look to be about ten weeks old. Two of the kittens are black and white and one is a calico. They let me watch them through a window but not get any closer. I do not have these kitties, but they looked a little rough so I wanted to post in case they are pets and being missed!
