Opie

Breed/Type: British Bulldog

Gender: Female

Age: Young

Reward: no

Location: Clayton, 27 Heathgreen Dr

Description: Young, white and black english bulldog escaped her backyard sometime around 3-4pm. She is very skittish and likes to hide. She was last seen running into woods near the intersection of Neuse Ridge Dr and Vinson Rd. She responds to "Opie" or "Poopy" but she is not likely to approach anyone because she is a rescue that has always been quite fearful of people.
