Breed/Type: Domestic Medium Hair

Gender: Female

Age: Senior

Reward: no

Location: Chapel Hill, 105 Pearl Lane

Description: I have lost my kitty, Muffin.

She is a brown and black cat that is around 12 years old (but she looks like she is a kitten). She is 100% deaf. She has maybe 4 teeth and needs medication every day. She has bright green eyes, no collar and she is not microchipped. She is very sweet so, if you find her or see her, please let me know. She, also, has a permanently grumpy looking face.

She was last seen on Pearl Lane in Chapel Hill NC which, intersects with Barbee Chapel road behind the Dunkin' Donuts and gas station right there.

My number is 919-448-4440. Please don't hesitate to call or text no matter what time of day it is.
