

Found Pet

Breed/Type: Domestic Short Hair

Gender: Female

Age: Adult

Reward: no

Location: Rolesville, 425 Barnard Castle Ct.

Description: The date is not accurate. The cat has been wandering around the Village at Rolesville for at least 2 years, probably more. No collar. We have been feeding her and her kittens, but they are loose cats. We are trying to determine whether anyone owns this cat before we try to trap her and have her neutered.
