

# Lost Pet

**Tek**

**Breed/Type:** Mixed

**Gender:** Male

**Age:** Young

**Reward:** yes

**Location:** Wake Forest, 4501 Burlington Mills Rd

**Description:** Hi everyone, im Jay. I recently lost my dog 0/29/23. He's a black lab mix with a white spot on his chest. He's been gone for the few days now. Only have got little information on where his whereabouts are. If anyone could please help or have any information on him I would appreciate your kindness
