Breed/Type: Husky

Gender: Female

Age: Young

Reward: no

Location: Raleigh, 1208 Brighton Rd.

Description: Friendly, approximately 1 year old (guess), blue eyes, all white with grayish/brown "saddle" on back and down to base of tail. No collar/tags. Decently groomed.

Walks on a leash without fuss. Crated overnight. Not aggressive towards other dogs but a little skittish of male dogs. Very beautiful, affectionate babygirl.

She was running down my road last night (10/31/23) when I was returning with takeout and she hopped right into my car as I opened the door in my driveway. I kept her last night but am hoping to find her home today, as I will not be able to keep her another night.
