

Found Pet

tinker bell

Breed/Type: Yorkshire Terrier

Gender: Female

Age: Unknown

Reward: no

Location: Durham, 100 maple groove ln.

Description:

Attention: Found Dog

This lovely canine, identified as Tinker Bell, is a black and tan Yorkshire Terrier, potentially around 10 years old based on the chip reading at the veterinary office. Her chip number is 900164000353778. Tinker Bell was discovered near 100 Maple Groove Lane, Durham, NC, on 2/20/2024. In the image provided, her collar is placed next to her for easy recognition.

We are eagerly awaiting the owner's contact.
