**Breed/Type:** Mixed

**Gender:** Male

**Age:** Young

**Reward:** no

**Location:** Raleigh, castlegate and watkins rd

**Description:** I just got home from a weekend trip and there is a paw blood trail on the front porch through the house and through the dog door and both of them are gone. My dog sitter left at 1045 and my neighbor saw them at 11 so this happened between 11 and 1230. One or both of them is bleeding and I need to find them please if you see them let me know. Arlo is black and Remy is brown they have had their shots they both love ppl
