Remy

Breed/Type: Mixed

Gender: Female

Age: Young

Reward: no

Location: Raleigh, watkins and castlegate rd,raleigh

Description: I just got home from a weekend trip and there is a paw blood trail on the front porch through the house and through the dog door and both of them are gone. My dog sitter left at 1045 and my neighbor saw them at 11 so this happened between 11 and 1230. One or both of them is bleeding and I need to find them please if you see them let me know. Remy will be with Arlo (black dog)
